Westlund Industrial Supply
9714 - 192nd Avenue
Surrey, British Columbia
V4N 4C6

Attention: Patricia Fitzgerald - Manager

Subject: Testimonial Letter

Dear Patricia,

W.S. Nicholls and Westlund have a long-standing working relationship that goes back well over eleven years, since the day we started the Western Division of W.S. Nicholls Construction Inc. in Delta, British Columbia and beyond. Although there have been several changes with both Westlund and W.S. Nicholls during those years, the most recent being our company name change to W.S. Nicholls Western Construction Ltd., we have managed to carry on this unique relationship to the benefit of both companies.

With Westlund's competitive pricing, knowledgeable staff, prompt service and delivery you have managed to remain as W.S. Nicholls' number one supplier of piping, fittings and valves for our many industrial projects. We look forward to what the future might bring and to continuing working closely with Westlund Industrial Supply for many years to come.

Sincerely,

W.S. NICHOLLS WESTERN CONSTRUCTION LTD.

A handwritten signature in black ink, appearing to read "Pat J. Hunt". The signature is stylized with a large, sweeping flourish at the end.

Pat J. Hunt
President - General Manager
