Dear Charlie:

On behalf of the HCM Felex Program and the Victoria Shipyards procurement team we are excited and proud to present this plaque, in our appreciation to you as recognition of your outstanding service. Your dedication has been a critical component that assisted in the successful execution of this program.

When the HCM Felex Program began in 2011 it proposed a number of challenges for the procurement team for various requests of product and services. With your partnership through this program the procurement team has a renewed strength to take on any challenge that may come our way.

In closing we want to let you know that you are a valued partner to Seaspan Victoria Shipyards and look forward to more successes in the future.

Sincerely,

Karen Clarke P.Log
